To Whom It May Concern,

We have used RACS as our cleaners at the Vittoriosa Waterfront for the past two years.

They have always provided us with a most efficient and reliable service.

By the nature of our business and the number of visitors received in the area, we can only reasonably conduct cleaning works during the night after the restaurants have finished their business.

RACS have always provided a professional and responsive service to our requests and demands.

I have no problem with recommending their services to anyone.

Regards,

Ben Stuart

General Manager
