

To Whom It May Concern:

This is to serve as a letter of re commendation to R.A.C.S Ltd.

I have known Ronald (Director of R.A.C.S. Ltd.) for the past 25 years. I in fact was one of the many to convince him to open up a company that deals with industrial cleaning.

After the formation of R.A.C.S. Ltd., I immediately trusted them with a huge National Event (Food & Fireworks Festival 2007) and Ronald's dedication and hands on proved to be a successful mix.

From there on every huge event I only employ this company as I feel very safe and they simply do the job without any hitches. This company also handles the cleaning of our TV Studios and Offices.

I re-command them, as I am sure that they will handle every situation seriously and professionally.

A handwritten signature in black ink, appearing to read "Silvio Scerri", is written over a light blue horizontal line.
