Re: Reference letter for our working relationship with R.A.C.S

To Whom It May Concern:

Razzett tal-Hbiberija has appointed R.A.C.S as our cleaning contractor for the past 3 years. The company was involved in cleaning after our fundraising or periodic events and also responsible for cleaning our premises throughout this period.

We have always found this company reliable and relatively flexible to accommodate any of our cleaning needs with immaculate results.

Yours sincerely,

Bradley Dingli
Business Development Manager
